## RA Advancement vs. RA Achievement Explained

## RA Advancement—Existing

RA Advancement has not changed.

To achieve your annual advancement level you must complete each of the following:

- 12 Missions Stories found in your RA Leader and RA World Magazines.
- 12 Bible Memory Verses. These can be found in your monthly lesson plans, RA Resource Book or any chosen by you, the boy or family. They can also count verses memorized in Sunday School or Bible Drill.

They can also count verses memorized in Sunday School or Bible Drill.

- 12 Mission Activities or Projects. This can be projects found in RA Leader, church projects and can include giving to special missions offerings

For every 12 additional of any combination can earn up to 5 bars and 3 stars per bar.

## \*NEW\* RA Achievement—RA Trek

RA Trek is an optional plan to help boys in grades 1-6 personalize and reinforce the missions concepts they learn during regular RA chapter meetings. It is in addition to their RA Advancement plan.

The ultimate goal of RA Trek is to help boys dig deeper into missions. As a leader, you'll find in these resources a strong mix of individual and group activities, simple activity plans, and a strong emphasis on spiritual growth, missions, and ministry. RA Trek projects will create an even more enjoyable experience for RA members.

Lads begin their Jr Ambassador trek and will complete Treks 1-3 then as a Crusader they will be an Ambassador completing Treks 4-6.
